Paul Covert High Point Scooter - The scooter from above that scores the highest points on the Judges Score Sheets. Named in memory of Paul Covert for his contributions to the Texas Cushman Club as a friend, parts supplier, and restorer.

People's Choice - Voted on by members for their favorite show scooter.

100 YEAR CLUB RIDE 2026

As a reminder to all Cushman club members, we will be doing the 100 Year Club ride again this year at the state meet. For those who are not familiar with the 100 Year Club, you too can be a member IF:

1. You have a 100 percent Cushman scooter, i.e., no Mikuni carbs, no non-Cushman engines, no custom frames, lights, etc. Only those items that came from Cushman Motor Works or were Cushman accessories available when the scooters were in production. Only one exception: you may have updated tires and rims for safety reasons.
2. Your age, plus your scooter's age is equal to, or greater than, 100 years.
3. You register and pay your \$7.00 registration fee at the meet (pays for patches & trophies). Please submit your completed form and the \$7.00 fee when picking up your registration packet.

We will all line up according to your combined age and do a short ride around town to show off our true vintage scooters. You receive a patch and get a chance to win trophies "Unrestored Best of Show", "Restored Best of Show" and/or "Highest Combined Years".

100 YEAR CLUB REGISTRATION WILL BE DONE AT THE MEET REGISTRATION DESK NO LATER THAN FRIDAY, October 6, 8:00 AM. PLEASE SEE THE MEET SCHEDULE OF EVENTS FOR REGISTRATION TIMES.
